The Proper Autumn Ideas.

The proper autumn ideas are the ones we show. We make special efforts to secure what is best known and used—foremost and leading is best known and used—foremost and leading styles and weaves—at prices, too, that mean economical purchasing. Our purchases the present season are exceptionably handsome—making our store an interesting place for most used styles and keenest values. Dress Goods, Trimmings, Silks, Ladies, Misses and Childrens Underwear, Kid Cloves and Parasols.

For the Autumn Wear.

The very ideas that best dressed men and The very ideas that best dressed men and boys are looking for—with a low trend to prices and a high touch to qualities—it makes you buy them quickly. The prices and styles will make you feel that this is the right store for your autumn "fixings." Clothing, Hats, Caps, Shirts, Underwear, Neckwear and Shoes. The economical tone to our autumn prices is an added assurance to you that we bought the stock right. The styles will convince you that we selected such as are most correct in every particular.

Dressing in Good Taste.

Keeping right along with what is newest Keeping right along with what is newest-buying clothes that are always just right for stylish results, and yet combining this with the prices you feel willing to pay, is easy, if you come to us. The autumn line from the tailor-ing house of Edward Rose & Co., Chicago, is here, and the styles are winners. Every de-sirable and fashionable weave, with every cent of costliness eliminated.
